

# Received shipments

Amazon Deals eBay Deals

Recharge your credit balance and click on the link "Confirm and Send". Then choose a carrier and fill in and confirm the Forwarding order.

**Set up automatic dispatch**

One-time fee **6.90 EUR** [Automatic Dispatch Terms](#)

**Consolidate all shipments**

**Cancel the consolidation**

**Buy Consolidation for 1 year**

After the consolidation a new shipment will be generated and an email sent (up to 1 working day). Then the Freight Forwarding Order (transportation request) can be created. After the shipments consolidation the boxes are fixed and wrapped, therefore no new packets can be added to them.

Price incl. VAT: **13.50 EUR**

Prepaid until: **8.11.2021**
